CERTIFIED PRE-OWNED INVENTORY FAQ

WHAT IS A CERTIFIED PRE-OWNED VEHICLE?

A certified pre-owned FIAT® Brand vehicle may have had a prior owner, but has since undergone a thorough inspection and safety review by a trained, authorized technician at a dealership.

CAN YOU LEASE A CERTIFIED PRE-OWNED VEHICLE?

Dealerships do not offer lease programs for certified pre-owned FIAT® Brand vehicles, but you can arrange financing to assist with the cost of purchasing one.

WHAT MAKES A VEHICLE CERTIFIED PRE-OWNED?

A Certified Pre-Owned (CPO) vehicle can be considered a 'used' vehicle. However, when you opt for a CPO vehicle, you are assured that it has been specifically selected to participate in the program and has been carefully inspected and certified to meet our high standards.

IS A CERTIFIED PRE-OWNED VEHICLE WORTH IT?

Certified pre-owned vehicles are an affordable alternative to new vehicles. They tend to be lightly used, with low mileage and very little wear. Plus, they come certified, so you don't have to worry about your purchase, compared to other used vehicles with unknown histories.

WHAT IS THE DIFFERENCE BETWEEN A CERTIFIED PRE-OWNED VEHICLE AND A USED VEHICLE?

Cars and SUVs that don't pass the inspection process aren't eligible to be offered as CPO vehicles, so CPO vehicles offer convenience and peace of mind. Even after purchase, purchasers of CPO vehicles benefit from factory-backed 7-Year/100,000-Mile Powertrain Limited Warranty (available on select models) and more.

WHAT DOES THE FIAT® BRAND CERTIFIED PRE-OWNED WARRANTY COVER?

Certified pre-owned FIAT® Brand vehicles are accompanied by a 7-Year/100,000-Mile Powertrain Limited Warranty (available on select models) and the 3-Month/3,000-Mile Maximum Care Coverage to help deliver peace of mind for the long haul.

HOW MUCH VALUE DOES A CERTIFIED PRE-OWNED VEHICLE HAVE?

It's hard to determine a specific value added by certification, though there is a lot to be said for the peace of mind that comes with knowing your vehicle has been thoroughly inspected and certified.

WHAT SHOULD YOU CHECK WHEN BUYING A CERTIFIED PRE-OWNED VEHICLE?

Make note of the parts of the vehicle that are covered by your factory-backed 7-Year/100,000-Mile Powertrain Limited Warranty (available on select models). Examine the vehicle history report to ensure you are comfortable with any reported incidents the vehicle may have encountered. Check your financing options and make sure you understand the terms of the agreement you are signing.

CAN YOU NEGOTIATE THE PRICE OF A CERTIFIED PRE-OWNED VEHICLE?

When you purchase a Ram Brand Certified Pre-Owned Vehicle through a dealership, you get the benefits of the Ram warranty and the assurance that the vehicle has passed our stringent certification process—something that buying private doesn't guarantee.
