Bentley Pre-Owned

Every car to bear the Bentley name has been made to the same exacting standards, whether you choose a new or pre-owned model. These exceptional standards are why every pre-owned car from the Certified by Bentley programme includes a 12-month warranty, with the option to extend it if desired. Each car also comes with a Certificate of Authenticity that establishes its provenance.

A TRUSTED VALUATION

Whether you are part exchanging, or looking to sell, your preferred Bentley dealer can provide you with an indicative valuation of your current Bentley. Due to the high demand for pre-owned Bentleys, our dealer network are always seeking opportunities to purchase high quality stock. As such, our dealer network may be able to offer you the most competitive price for your vehicle. By contacting our specialists they will be able to provide you with an initial indicative valuation and they will also invite you to visit the dealership for a no-obligation professional appraisal of your Bentley, where an accurate valuation can be determined. * Please note, the indicative valuation is not a commitment to purchase and is based only on the information provided. Only after a professional appraisal can an accurate value be determined. The indicative valuation is generated by your preferred Bentley dealer and does not reflect the views of Bentley Motors Ltd

Pre-Owned products

Whilst every effort has been made to ensure that the prices, specifications and availability of pre-owned vehicles featured on our pre-owned site are up to date and accurate these are indicative only and Bentley Motors Limited cannot accept responsibility for any errors or omissions.

The details of pre-owned vehicles listed are not, and should not be construed as, an offer to sell by Bentley Motors Limited. A legal commitment to buy the vehicle will only come into existence once the customer and the dealership have entered into a contract incorporating the details of the vehicle, the agreed price and the dealership's terms and conditions of sale.

Please contact the relevant Bentley Motors dealership to confirm vehicle details, status, availability and precise information on vehicle pricing, features, specifications, equipment and mileage details.
